

DRARA Freecycle Day

HOW it WORKS

Need to make space? Clearing out furniture, books, kitchen or home gadgets, CD's, DVDs or the toy box?

Don't throw it away! Don't take it to the dump!

Give your unwanted things a new home!

It's easy.

1. Put any unwanted items that could still be useful in your front garden on Freecycle Day
2. Put this flyer or a 'Freecycle' sign next to the items you want to freecycle, and remove any items from your garden that you don't want taken
3. For Covid-safety, please space your items out so people can see what's what with minimal handling/rummaging
4. Let someone else find them and give them a good home
5. Walk around and see what takes your fancy – you never know what you might find!

If you have any queries, please email Tamasin at events@drara.org.uk

Meet your neighbours * find treasures * declutter your home!
